

CALL FOR PAPERS

We would like to extend our warmest invitation to you to participate in

2024 5th International Conference on Electronics and Signal Processing (ICESP 2024)

January 12-14, 2024 | Macau, China

ICESP 2024 welcomes author submission of papers concerning any branch of the Electronics and Signal Processing. All submissions will be blind reviewed by the Program Committee on the basis of technical quality, relevance to conference topics of interest, originality, significance, and clarity.

Submissions will be peer reviewed by both the conference scientific committees and journal editorial board. All registered and presented papers will be published in **Springer book series-Signals and Communication Technology**, submitted for **Scopus, EI Compendex**, SCImago, zbMATH, etc..

Ad-Hoc and Sensor Networks | Array Signal Processing
Computer Vision & Virtual Reality | Biosignal Processing & Understanding Hardware
Implementation for Signal Processing | Internet Signal Processing Multimedia
Communications | Radar Signal Processing
Speech Processing | Statistical Signal Processing
Industry Technology | Multimedia Communications
Natural Language Processing | Speech Processing
Spoken Language Processing | Video compression & Streaming

Full Paper Submission Deadline: December 10, 2023

Submission Method:
